2021-2022 ANNUAL REPORT

rooted in
OUR MISSION

Foothill Family empowers children and families to achieve success in relationships, school, and work through community-based services that advance growth and development.

reaching for
OUR VISION

Foothill Family sees brighter futures in which individuals and families thrive, communities are strengthened, and generations are enriched.

Dear Friends,

The success of Foothill Family's 2021-2022 fiscal year brought about program expansion, family center enhancements and openings, as well as new employee positions that signify meaningful growth and development in the services we so proudly provide for our children and families.

Since 1926, Foothill Family has been reaching the youngest and most vulnerable populations to give every child the opportunity to grow and thrive in an environment where they are healthy, nurtured and loved. These past few years have weighed heavily on many families' mental wellness. The prolonged effect of the past few years is beginning to surface and the need for our services has increased exponentially. In 2022, there was a 40% increase in referrals over 2021 with our intake team answering over 7,000 inquiry calls. The need is staggering.

Foothill Family's staff continue to do a remarkable job adapting how they provide services to further reach out within our communities to provide support for children and families in these times of strain and uncertainty. They are our front lines, and the reason for the reputation Foothill Family has earned as a leader in mental health care and early childhood development program delivery. The team has worked tirelessly in helping nearly 24,000 parents and children thrive, together this past year alone.

Through the Planting Deeper Roots campaign, we undertook an ambitious endeavor and purchased a 10,000 sq. ft. building in Pomona. We are humbled by the immense outpouring of support. To date, we have raised 97% of the \$4.0M goal and we are currently making improvements to the building. The programs are geared toward serving women and children ages 0-3, two of the highest under-served populations in Pomona. Our focus on prevention and intervention supports children's development and promotes resilience as well as supports single mothers and families affected by domestic violence.

The commitment of our Board of Directors, our Advisory Board, and our volunteer group, the Friends of Foothill Family, add markedly to help advance Foothill Family's mission and provide the community leadership that is essential to our impact and future growth. The advances we have achieved at Foothill Family would not be possible without the advocacy of these crucial champions, as well as the strategic partnerships we have established with our generous individual, corporate, and foundation donors.

This annual report acknowledges you – our supporters who help our community heal and thrive. Your generosity strengthened families and enriched communities. Thank you for your investment in the kids and families Foothill Family continues to serve!

Thank you!

At Foothill Family, we believe healthy families are the foundation of every child's promise for a bright future, and the strength and resiliency of families provide the backbone of vibrant, thriving communities.

We are committed to improving infant, child, youth, and family development, resulting in success in relationships, school, and work.

Since 1926, Foothill Family has led the way in providing comprehensive mental health and social services throughout the San Gabriel and Pomona Valleys, Glendale, and Burbank, through the following key programmatic areas:

Mental Health Care

Foothill Family provides effective mental health assessment and treatment for children and adults, individuals and families.

Early Childhood Development

Foothill Family's zero to five programs provide parents/caregivers and their young, high-needs children with essential early intervention, detection, and prevention strategies and tools during their child's critical developmental years. Services include parent education and can address autism spectrum disorder and/or other developmental delays.

School-Based Services

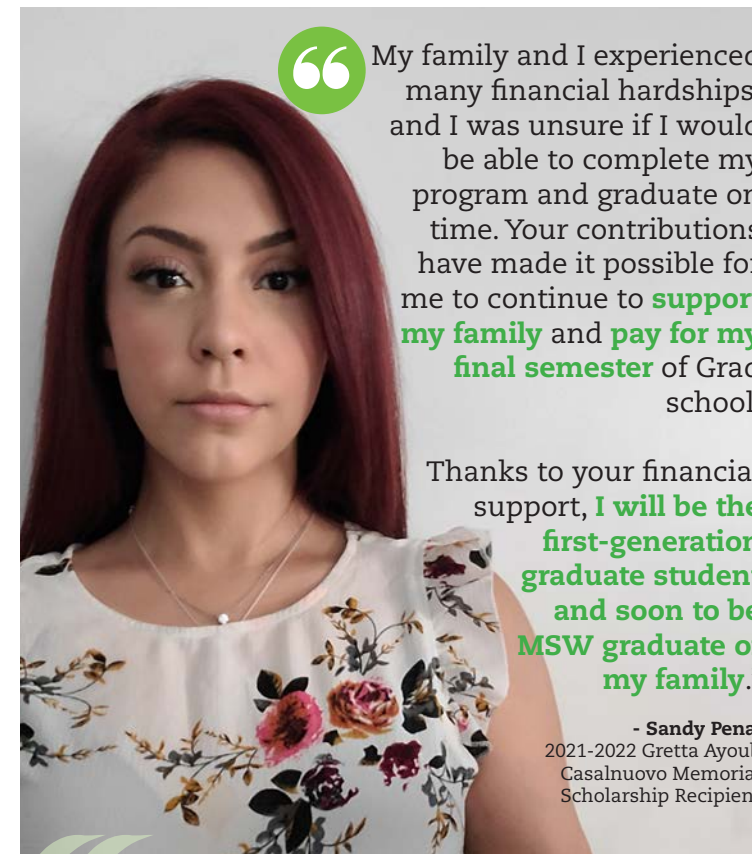

Currently providing services in 18 school districts in Southern California, Foothill Family provides assistance to children and youth exhibiting social and/or emotional challenges in order for them to succeed at school, at home, and in their communities. Our programs include teacher trainings and promote school community development alongside school/family engagement.

Youth & Family Services

Foothill Family launches families on healthy journeys by providing mental health treatment for children and their caregivers, as well as treatment and support services for victims of abuse, neglect, and/or domestic violence. Also, case management and mentoring programs help pregnant and/or parenting youth to attend school and graduate, raise healthy babies, and learn positive parenting skills.

Cities cannot do things alone. We need **partners**. We need **stakeholders**. Particularly as we ease out of this pandemic, we need all the help we can get around housing, around health, around rent relief, around food. The city has really undertaken an approach that we have to be partnering with our **community**-based organizations. We are so thankful **Foothill Family** has expanded their services here in the city of Pomona.”

- **Tim Sandoval**, Mayor of Pomona

“ My family and I experienced many financial hardships, and I was unsure if I would be able to complete my program and graduate on time. Your contributions have made it possible for me to continue to **support my family** and **pay for my final semester** of Grad school.

Thanks to your financial support, **I will be the first-generation graduate student and soon to be MSW graduate of my family.**”

- **Sandy Pena**,
2021-2022 Gretta Ayoub
Casalnuovo Memorial
Scholarship Recipient

Thank you **Foothill Family** for your commitment to providing a **high-quality, personalized, and dignified** approach to mental health care and early childhood development in our communities. Your work is **life-changing** and **empowers** our underserved children and families.”

- **Freddie Rodriguez**

**in memoriam*

I was definitely struggling. **Foothill Family** supported us in so many ways. Opening doors to programs within our *community, support* systems, Jackie coming into our house, and *teaching* us *communication*. She went above and beyond for my family. She went above and beyond for myself. And I don't know how I could ever repay her. I want for my son to have a *better life* than I had. I hope his future is just filled with lots of *love*. There's definitely a lot to thank **Foothill Family** for."

I have always wanted to work in a setting where I could reach out to others and be a support to families in need of healing and growth. **Foothill Family** has been the model of being that type of agency in providing these important services to the community in the most *caring* and *compassionate* way. Foothill Family really serviced us in more ways than one. It was a well-rounded approach that my son was getting. It wasn’t just academics and home-based services. Then he was getting speech, then he was getting behavior therapy. And then I started getting therapy through Foothill Family too. Foothill Family helped me provide a better life for my son.”
